

# **TORONTO** STAFF REPORT

---

January 29, 2001

To: Economic Development and Parks Committee

From: Joe Halstead, Commissioner Economic Development, Culture and Tourism

Subject: Appointments to Business Improvement Area (BIA) Boards of Management  
All Wards

Purpose:

To appoint members to the Boards of Management of twenty-four Business Improvement Areas and to amend the former City of Toronto Municipal Code, Chapter 20, "Business Improvement Areas" and Business Improvement Area (BIA) by-laws of the former municipalities of East York, Etobicoke, Scarborough, and York as necessary.

Financial Implications and Impact Statement:

There are no financial implications resulting from the adoption of this report.

Recommendations:

It is recommended that:

Council appoint the nominees listed in Attachment No. 1 to this report to the Boards of Management for twenty-four Business Improvement Areas (BIAs) for the 2001-2003 term;

amendments be made to the former City of Toronto Municipal Code, Chapter 20, Business Improvement Areas and BIA by-laws of the former municipalities of East York, Etobicoke, Scarborough, and York as necessary and as set out in Attachment No. 2;

leave be granted for the introduction of the necessary bills in Council to give effect thereto; and,

- (1) the appropriate City Officials be authorized and directed to take the necessary action to give effect thereto.

Background:

Section 220 of the Municipal Act requires that Council appoint members of the Business Improvement Area (BIA) Boards of Management for a term expiring at the end of the term of the Council making the appointments. Accordingly, as long as the members continue to qualify, the nominees listed in Attachment No. 1 shall expire on November 30, 2003, or as soon thereafter as successors are appointed. Each of the nominees named meets the requirements for membership set out in Section 220 of the Municipal Act.

The BIAs located in the former City of Toronto are subject to Chapter 20 of the Municipal Code entitled "Business Improvement Areas". Schedule "A", "Individual Boards of Management of the former City of Toronto" must be amended to reflect the new appointments made pursuant to this report. Similarly, by-laws of the former municipalities of East York, Etobicoke, Scarborough, and York must be amended as necessary.

Comments:

Following the elections held at the Annual General Meetings of the BIAs, amendments are required to the number of members and members required for quorum. These amendments must be reflected in Schedule "A" to Chapter 20 of the Municipal Code, Individual Boards of Management of the former City of Toronto.

Throughout October to December 2000, thirty-three BIA Annual General Meetings were held to approve the 2001-2003 term for Boards of Management and 2001 budgets. New BIA Boards of Management must be appointed by Council before the incoming Boards of Management can ratify their 2001 BIA budgets. Once ratified, separate reports containing these budgets will be forwarded to Council for approval. To date, twenty-five BIA Boards of Management have submitted their 2001-2003 nominees for approval. (The Corso Italia BIA 2001-2003 Board of Management nominations have been previously approved at the January 15, 2001 Economic Development Parks Committee meeting).

Conclusions:

As part of the process of harmonizing BIA management and administration procedures, Economic Development staff have encouraged the BIAs to hold their Annual General Meetings earlier, so that the Boards of Management and budget approvals required to carry out their

annual work program can be approved in a timely fashion. It is, therefore, recommended that Council approve the appointments of the nominees to the Boards of Management of the BIAs as set out in Attachment No. 1.
