  - b. Sheena's Place is a registered charity within the meaning of the Income Tax Act (Canada).

3. The City Clerk notify the Minister of Finance of Council's actions with respect to the recommended exemption and cancellation of taxes for Sheena's Place, for the purposes of ensuring that the exemptions and cancellations in respect of school taxes are implemented, as required by the Sheena's Place Act, 2006.
4. Authority be granted for the introduction of the necessary bill to give effect thereto.
5. The appropriate City officials be authorized and directed to take the necessary action to give effect thereto.

(April 25, 2007) report from Treasurer

## Committee Recommendations

The Government Management Committee recommends that:

1. Council exempt from taxation for municipal purposes the land occupied by Sheena's Place, located at 87 Spadina Road, for the 2006 and subsequent taxation years, provided the following conditions continue to be met:
  - a. the property is occupied and used solely for the purposes of a centre for people affected by eating disorders operated by Sheena's Place; and
  - b. Sheena's Place is a registered charity within the meaning of the *Income Tax Act* (Canada).
2. Council cancel the taxes for municipal purposes that were payable for the years 1996 through 2005, including accrued interest and penalties, for the land occupied by Sheena's Place, located at 87 Spadina.
3. The City Clerk notify the Minister of Finance of Council's actions with respect to the recommended exemption and cancellation of taxes for Sheena's Place, for the purposes of ensuring that the exemptions and cancellations in respect of school taxes are implemented, as required by the *Sheena's Place Act, 2006*.
4. Authority be granted for the introduction of the necessary bill to give effect thereto.
5. The appropriate City Officials be authorized and directed to take the necessary action to give effect thereto.

## Implementation Points

Following Council's enactment of the by-law associated with this report, it will be necessary for Sheena's Place to file a Request for Reconsideration with the Municipal Property Assessment Corporation (MPAC) to make the property exempt for 2007, as the property was returned on the assessment roll for 2007 as taxable at the residential rate. Additionally, in order to cancel the taxes levied for 2006 on this property, it is necessary to file an application under Section 357 of the *Municipal Act, 2001 (Cancellation, Reduction, Refund of Taxes)*, as the property was also returned as taxable for 2006. As an application for 2006 under this section must be made by the Treasurer prior to April 30, 2007, this application has already been initiated by the Treasurer in anticipation of Council's approval of the recommendations in this report, and will be processed following enactment of the by-law.

## Financial Impact

The net effect of providing a property tax exemption for the property located at 87 Spadina Road would be a reduction in current property tax revenue of approximately \$7,000 per year, representing the municipal portion of taxes that are levied against the property annually.

Additionally, the property tax cancellation from May 1, 1996 to 2005 would result in a cancellation of \$116,231 in total taxes including interests and penalty, of which the City would be responsible for \$91,225, representing the outstanding municipal taxes (\$42,103) and interest

(\$49,122), which would be charged to the City's Non-Program Tax Deficiency account, and the remaining \$25,006, representing the education portion of the levy that would be fully recoverable from the school boards/Province.

The Deputy City Manager and Chief Financial Officer has reviewed this report and agrees with the financial impact information.

### Summary

This report seeks Council authority to exempt the land occupied by Sheena's Place, a facility known as the Hospice for Eating Disorders of Toronto, located at 87 Spadina Road, from taxation for municipal purposes beginning in 2006, and to cancel taxes for municipal purposes that were payable from 1996 to 2005.

The authority for the property tax exemption/cancellation for 87 Spadina Road is provided under the Sheena's Place Act, 2006, a private statute, which allows the City to pass a by-law providing for the tax exemption/cancellation. Once a by-law is passed, the provincial education portion of taxes will also be made exempt or cancelled.

### Revisions to Financial Control By-law

#### City Council Decision

City Council on May 23, 24 and 25, 2007, adopted the following motion:

1. Schedule 'A' of the Financial Control By-law be revised as per the attached Appendix '1' to this report.

(April 18, 2007) report from Treasurer

#### Committee Recommendation

The Government Management Committee recommends that:

1. Schedule 'A' of the Financial Control By-law be revised as per the attached Appendix '1' to this report.

#### Financial Impact

No financial impact.

### Summary

The Financial Control By-law, Chapter 71, Municipal Code, was adopted in 2000 and last revised in 2004. The By-law includes a “Schedule ‘A’” which was added in 2004 which lists purchases where payments can be processed without a Purchase Order or Sole Source Request Form as these items cannot be competitively bid. The list was prepared in consultation with City Divisions.

After having applied the schedule for the last two years, staff have found that there are other types of purchases not listed in Schedule ‘A’ that should also be paid without a Purchase Order or Sole Source Request Form. This report requests a revision to Schedule ‘A’ to include these items.

(March 26, 2007) report from Chief Corporate Officer

### Committee Recommendations

The Government Management Committee recommends that:

1. The 2007 Approved Capital Budget for Facilities and Real Estate be amended by the addition of a project "Village Securities Site Acquisition" for \$15,253,575.00, with funding provided from the Land Acquisition Reserve Fund (XR1012) in the amount of \$15,253,575.00, for a zero net impact.
2. The 2007 Approved Capital Budget for Parks, Forestry and Recreation be amended by the addition of a project "Village Securities Site Acquisition" for \$2,000,000.00, with funding provided from the Parkland Acquisition – City Wide Land Acquisition (XR2210) in the amount of \$2,000,000.00, for a zero net impact.
3. The Offer to Sell from the Owner of the property known as the Village Securities Ltd. site having a net cost to the City of \$17,253,575.00 be accepted substantially on the terms outlined in Appendix "A" to this report, and that each of the Chief Corporate Officer and the Director of Real Estate Services be authorized severally to accept the Offer on behalf of the City.
4. That Deputy City Manager Sue Corke's Office and the General Manager of Parks, Forestry & Recreation continue to investigate other potential sources of outside funding for cultural, natural heritage and open spaces purposes to offset the funding of this acquisition.
5. The City Solicitor be authorized to complete these transactions on behalf of the City including making payment of any necessary expenses, and amending the closing date and other dates to such earlier or later date(s) and on such terms and conditions as she may from time to time consider reasonable.

### Financial Impact

The total cost of this acquisition to the City is estimated at \$17,253,575.00, as outlined in the table below:

Table 1: Estimated Total Closing Costs and Purchase Price

Payments to Vendor:	Purchase Price	\$17,000,000.00
City's Closing Costs:	Land Transfer Tax	\$253,475.00
	GST on Purchase Price	\$1,020,000.00
	Registration Costs	\$100.00
	Total Costs	\$18,273,575.00
Cost to City Net of GST		\$17,253,575.00

No provision has been made in the Approved 2007 Capital Budget and 2008-2011 Capital Plan for this acquisition. Funds are currently available in the City's Land Acquisition Reserve Fund (LARF) and in the Parks, Forestry and Recreation's Reserve Funds.

It is proposed that the 2007 Capital Budget for Facilities and Real Estate be increased by \$15,253,575.00 with offsetting funds from Land Acquisition Reserve Fund (XR1012) in the amount of \$15,253,575.00 and that the 2007 Capital Budget for Parks, Forestry and Recreation be increased by \$2,000,000.00 with offsetting funds from Parkland Acquisition – City Wide Land Acquisition (XR2210) in the amount of \$2,000,000.00.

As per Council's request to explore possible alternatives to bring the Village Securities Ltd. Site under public ownership, possible financial "offsets" are discussed further in the Issue Background section of this report.

The Deputy City Manager and Chief Financial Officer has reviewed this report and agrees with the financial impact information.

## **Summary**

The Village Securities Ltd. site totals approximately 6.87 hectares (16.97 acres) and is composed of two parcels of lands located in the Morningside Heights area of northeast Scarborough. The site abuts the Rouge River Valley and is considered an important piece of Toronto's cultural and native history. The two parcels separated by a Hydro Corridor contain 700-year-old artifacts of significant heritage value to the City, and the Iroquois and Mohawk Nations. The lands also act as a significant wildlife corridor in this part of the City.

Village Securities Ltd. and Neamsby Investments Inc. (collectively the "Owner") are willing to sell the lands in their entirety to the City. However, they have given the City until July 1, 2007 to complete this transaction. Otherwise, they will proceed to develop, as of right, the lands with a residential subdivision.

Negotiations with the Owner have been on-going since January 2007. The Owner has signed an irrevocable offer to sell ("Offer to Sell") for their property to the City. Appendix "A" to this report describes the salient terms of this proposed acquisition, which is considered fair and reasonable.

#### **Financial Impact**

The funds to cover this expenditure in 2007 (\$25,938.49 for rent, plus estimated heating costs of \$16,500.00) form part of Children's Services annualized operating budget under Account No. 0-CS600-E1885J-4530. Future year budget submissions will include the expenditure commitments as follows: \$26,327.39 in 2008, \$26,729.44 in 2009, and \$20,266.47 in 2010, as well as heating costs of approximately \$17,000 per year.

As the City continued to pay the previous rent amounts after the lease expiry, the retroactive amount to be paid is limited to the rent increase recommended in the report of \$565.71 and estimated heating costs of approximately \$15,750.00. These amounts can be absorbed in the currently recommended budget for Municipal Child Care.

The Deputy City Manager and Chief Financial Officer has reviewed this report and agrees with the financial impact information.

### Summary

This report requests Council's authority to enter into a five year license agreement, commencing October 1, 2005 and expiring on September 30, 2010, with the Church of the Resurrection for 4,800 square feet of space of the Church School and an adjacent playground at 700 Milverton Boulevard for use as a Child Care Centre on the terms and conditions set out in Appendix "A" to this report.

### **Committee Recommendations**

The Government Management Committee recommends that:

1. The condition requiring Council approval contained in the City's Offer to Purchase the property known as 80 Queensdale Avenue be waived such that the offer, being substantially on the terms outlined in Attachment 1 of this report, shall become binding and irrevocable by the City until May 31, 2007.

### **Financial Impact**

The funding for this acquisition has not been included in the 2007 Approved Capital Budget for Parks, Forestry, and Recreation. City Council's approval will be required to increase the 2007 Approved Capital Budget for Parks, Forestry, and Recreation funded from the Parkland Acquisition Reserve Fund – Toronto Local Land - XR2053 for a net \$0 impact on the City's debt level. Funding is available in the Parkland Acquisition Reserve Fund – Toronto Local Land – XR2053.

The funding for the development of this property into a park has not been included in the 2007 – 2011 Capital Plan for Parks, Forestry and Recreation, and will require the Program to re-allocate the total approved 2007-2011 Plan, or beyond the approved 5-Years Capital Plan, to accommodate the development of 80 Queensdale Ave into a park should the acquisition be completed.

The Deputy City Manager and Chief Financial Officer has reviewed this report and agrees with the financial impact information.

### **Summary**

The above property has been declared surplus by the TCDSB and was offered for lease or sale pursuant to Reg. 444/98 of the Education Act on July 24, 2006. At its meeting held on September 25, 26 and 27, 2006 City Council authorized staff to negotiate with the TCDSB to acquire the property for parkland purposes. For this purpose, the City submitted an offer to purchase the property for the Board's consideration on October 19, 2006. The submitted offer was conditional upon Council approval.

On April 23, 2007 the TCDSB advised the City that it had not accepted the City's original offer and invited the City to submit another offer for its consideration on or before May 11, 2007. As a result of the timing established by the TCDSB in relation to this process, City staff have prepared and submitted a conditional offer for the Board's consideration. The key terms of that offer are described in Attachment 1 to this report. The offer submitted by City staff is currently conditional upon Council approval. City staff is now seeking authority to waive that condition such that the City's offer will be binding and irrevocable by the City until May 31, 2007.

(April 23, 2007) report from City Clerk

#### Committee Recommendations

The Government Management Committee recommends that City Council:

1. Amend the Municipal Code Chapter 217, Record's Corporate (City) to revise the records series schedules as noted in Appendix 2 and to to add the new record retention schedules in Appendix 3.
2. Repeal the record retention by-laws of former municipalities as set out in Appendix 4.

3. Grant the authority to introduce the necessary bills in the City Council to give effect to the foregoing.
4. Authorize the appropriate City of Toronto officials to take the necessary action to give effect thereto.

### Financial Impact

There are no financial implications resulting from the adoption of the recommendations in this report.

### Summary

This report requests City Council's approval of routine amendments to the City's record retention by-law, Municipal Code Chapter 217, Record's Corporate (City), including the revision of existing record retention schedules, the addition of new ones, and the repeal of retention schedules of the former municipalities. The City's Records Retention Committee, comprised of representatives from Legal Services, Internal Audit, and the City Clerk's Office, and an external auditor concur with the recommendations in this report. The inclusion in the by-law of new record retention schedules that supersede those of the former municipalities enables consistent administration of the City's information.

Unmanaged information is a liability for the creator and custodian. Establishing retention schedules is a fundamental tool to reduce risk and support effective asset management of the City's information. Consistent management of the City's information assets also complies with federal and provincial statutory retention requirements and contributes to effective access by City administrators and citizens. Timely destruction of records that have completed their scheduled retention period protects the City's legal interests and reduces administrative costs for storage and retrieval.

---

Statutory - City of Toronto Act, 2006

(April 25, 2007) report from City Clerk

### **Committee Recommendations**

The Government Management Committee recommends that:

1. City Council amend Schedule 12, City Clerk, of Appendix C of Municipal Code Chapter 441, Fees and Charges, to revise the fees and charges for reprographic services at the City of Toronto Archives, as described in Appendix 1.
2. City Council repeal former fees charged for reprographic services at the City of Toronto Archives, as described in Appendix 1.
3. The fees and charges revisions come into force on the date of the passing of the amending by-law.
4. City Council grant the authority to introduce the necessary bills to give effect to the foregoing.
5. City Council authorize the appropriate City of Toronto officials to take the necessary action to give effect thereto.

### **Financial Impact**

The proposed user fees will increase the revenue from reproduction services offered by the City of Toronto Archives. As in some cases, these user fees are for new services and it is not possible at this time to estimate the annual increases. The increase in revenues, as a result of approval of these user fees, will be reflected in the City Clerk's 2008 Operating Budget.

The Deputy City Manager and Chief Financial Officer has reviewed this report and agrees with the financial impact information.

### **Summary**

This report seeks Council approval of a proposed by-law to amend, delete and add to existing

user fees for providing reproductions of archival records to clients of the City of Toronto Archives.

These changes are required because the City of Toronto Archives has phased out analog photographic reproduction services and replaced them with digital photographic services. The Archives made this decision for the safety and security of its archival records and in response to increasing demand on the part of Archives' clients for more digital reproduction services. These digital services are done in-house and maximize the use of imaging equipment in the Archives Imaging Lab. This technology assists in the long-term preservation of fragile and rare archival materials, since once the Archives has a digital file, the original need not be copied again.

Some of the proposed changes increase current fees. The proposed fees are in line with those charged by other Ontario research facilities, and are necessary to support the broad range of archival activities, including acquisition, conservation and long-term preservation of unique archival corporate and private records.

Since the City wishes to adopt two official marks, the total cost is \$1,000.00.
