## **DECISION HISTORY**

---

At its meeting June 13, 2017 Toronto and East York Community Council in considering item TE25.128, requested Transportation Services to examine and report back to Toronto and East York Community Council regarding the realignment of permit parking area 7E and the exclusion of the subject site at 875-887 Queen Street East.

## **COMMENTS**

---

Permit Parking area 7E is bounded on the west by East Don Roadway, on the north by Queen Street East, on the east by Logan Avenue and the south by the Gardiner Expressway. Area 7E has 327 on-street parking spaces. To date, 250 permits have been issued. This area does not have a history of being waitlisted, meaning the demand for overnight on-street parking permits has never exceeded the supply of parking spaces. There is TTC service on Queen Street East. Councillor Fletcher and residents neighbouring 875-887 Queen Street East support this action as a means of ensuring that this new development does not negatively impact the permit parking supply to the existing neighbourhood.

A Public Notice was placed on the City's website requesting those objecting to the exclusion of 875 – 887 Queen Street East, from permit parking area "7E" to forward their objections in writing to the City Clerk, so they may be scheduled as deputations at the Toronto and East York Community Council meeting. The Clerk has confirmed that no objections have been received.

Transportation Services has no objections to the exclusion of 875-887 Queen Street East from permit parking area 7E.
